## **RAPE SUSPECT ARRESTED**

Hampton police arrested **My Trung Vo**, a 32 year old residing in the 100 block of Holland Drive in Virginia Beach, charging him with offenses related to his sexual misconduct with two juveniles.

On November 30, 2004, police initiated a criminal investigation after being notified of alleged indecent liberties with minors. The investigation revealed that between January and December 2004, Vo committed indecent sex acts against six year old and eight year old girls while residing in the 200 block of North Armistead Avenue. The victims hesitated to report the incident out of fear of reprisal.

Detectives charged My Trung Vo with rape, two counts of forcible sodomy with a victim under age 13, and two counts of object sexual penetration. He remains in the custody of the Hampton city Jail.

Corporal Jimmie Wideman will receive questions about this release at 757-727-6638.
